Unique Fijian language courses in Suva to immerse yourself in the local culture

Exceptional learning environment, featuring a Francophone library, a terrace café with stunning views of the Pacific, and exciting new partnerships

A regular and diverse cultural program, offering a space for relaxation and linguistic exchange

## ABOUT OUR NETWORK

Since its creation in 1883, the Alliance Française has made a significant contribution to the promotion and global influence of the French language.

Today, present in 135 countries, the Alliance Française offers high-quality education, international certifications, and a cultural offering that is inseparable from learning the French language.

As the world's largest cultural NGO, it relies on a unique and modern model supported by local civil societies and rooted in intercultural dialogue.
