ABOUT AFSUVA AND AF NETWORK

Since its creation in 1883, the Alliance Française has made a significant contribution to the promotion and global influence of the French language.

Today, present in 135 countries, the Alliance Française offers high-quality education, and a cultural offering that is inseparable from learning the French language.

As the world's largest cultural NGO, it relies on a unique and modern model supported by local civil societies and rooted in intercultural dialogue.

AF Suva has been one of the most active cultural center in Suva for about 40 years, supporting both French and Fijian cultures with passion!
